Headmaster's Statement

As the month of November rolls around, thoughts along the avenue turn towards the renewal of perhaps the oldest and finest rivalry in schoolboy athletics. The friendly rivalry that exists between these two great secondary schools is a source of pride to every member of each school's community. The spirit, enthusiasm and determination of the students attending these two fine educational institutions is as great now as it was when this series first began. I commend the dedication of the coaches and players of both schools. Let us continue the tradition of school excellence and good sportsmanship which has existed through the long and brilliant history of each school.

The BLS Class of 1966 in customary regalia

Colonel Kelley told us we'd never make it. John Doyle shipped most of us across the street. Doctor O'Leary said we reeked of hubris. But a quarter-century later, the BLS Class of 1966 stands as exemplars of probity, sobriety and gravitas. Dis English, we say.
